1.5 kg Shoulder/Belly joint
1.5 kg Back Bacon
2.4 kg Traditional Sausages
1.0 kg Chops (approx 4)
3.0 kg total Gammon Joint and Steaks

Additional Items can be added to either box if available including streaky bacon (usually fatty) to cover your turkey

Back Bacon - £14 per kilo Streaky Bacon – £8 per kilo
Leg/Shoulder/Belly joints, or Chops £8 per kilo
Sausages – 8 per tray £2.50 Gammon £10 kilo

If you would prefer any different cuts we can usually make changes, or add other items like trotters, liver or hand etc.

Size of joints are approximate but we will ensure you get the total box weight as advertised.

This pork is from delicious outdoor pigs raised on GM free food. They are a mix of beautiful black and saddleback pigs, so the skin may contain some unavoidable black hairs. To see how the pigs live, go to www.cynlas.com.

The meat will be delivered on Saturday 11th December in an insulated box. As advertised last time, there is £5 off your order if you have the old box ready for collection.

To place an order, or ask any questions, please email orders@cynlas.com
